- **June-October:** Monday to Saturday, 35-40 hours per week (3 Saturdays per month required for Market)

JOB DUTIES:

March - April

- Transplanting, flat filling, hand seeding trays, and other various greenhouse production tasks.
- Be prepared for long hours on your feet and working in various weather conditions.

May

- Driving delivery trucks and loading/unloading.
- Pulling orders, transplanting, and performing some fieldwork.
- Note: Overtime is required in May as we are in the heart of our busy season. All hands-on deck are needed!

June

- Field planting, field preparation, weeding, and setting up irrigation systems.
- Managing the market stand at Mill City Farmers Market (3 Saturdays per month). Interacting with customers, setting up, and selling produce.

End of June - Early October

- Ongoing field maintenance, irrigation, weeding, and working with CSA workshare crew.
- Harvesting and packing CSA boxes.
- Managing the market stand at Mill City Farmers Market (3 Saturdays per month). Interacting with customers, setting up, and selling produce
- Delivering CSA boxes.

Late October

- Field clean-up and takedown of field infrastructure and irrigation systems.
- Managing the market stand at Mill City Farmers Market (3 Saturdays per month). Interacting with customers, setting up, and selling produce
- Possible greenhouse maintenance.

BENEFITS:

- Free plants
- Free CSA share
- Free cut flowers
- Meals and snacks provided during busy season.
- Optional dental insurance (qualifying hours needed).
- 401(k) with matching (optional, qualifying hours needed).
- Life insurance (optional, qualifying hours needed).

QUALIFICATIONS:

- Strong work ethic and ability to work long, physical hours.
- Ability to lift up to 50lbs and work on your feet all day.
- Experience driving delivery trucks and handling farm equipment is a plus but not required.
- Flexibility to work weekends, particularly Saturdays at the Mill City Farmers Market.
- Positive attitude and ability to work well in a team environment.

If you're passionate about sustainable farming, local food systems, and outdoor work, we'd love to have you join our team this season!
